

CYKA // SUKA

TALES FROM THE LOBBY BAR

Written & Created by
Constantinos Constantinou

Inspired by real events
inside a summer lobby bar

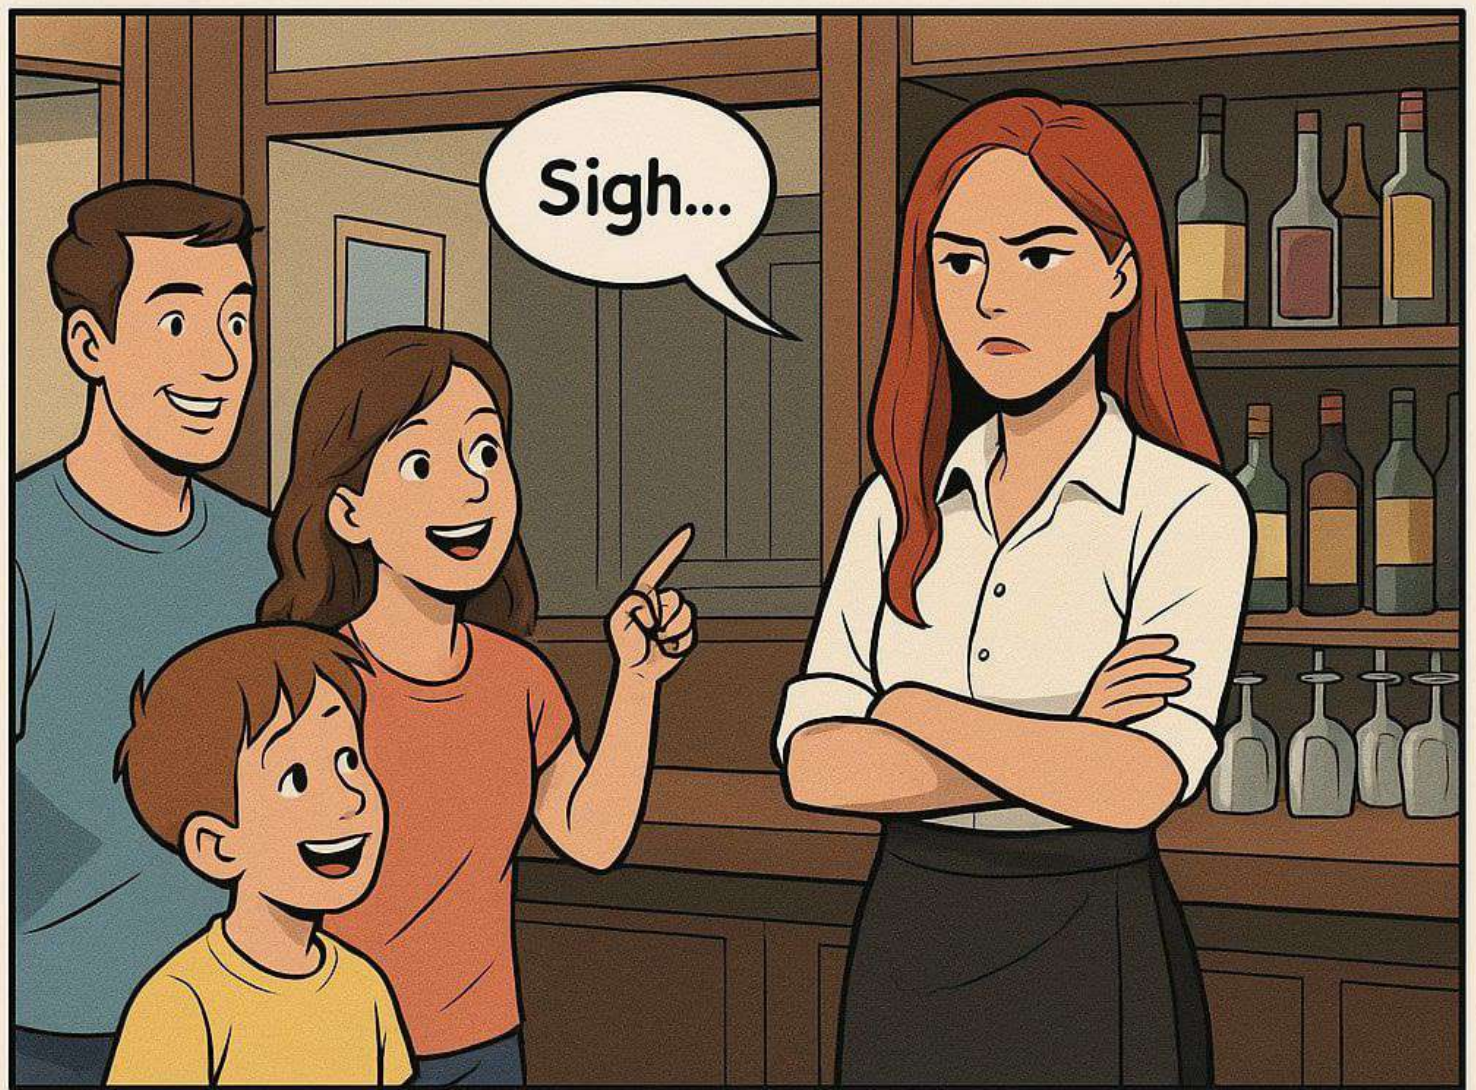

She was from Russia,
And she missed home.

Homesickness made
her fragile... and
sometimes absent.

WHILE SHE DRIFTED, I
KEPT MOVING.

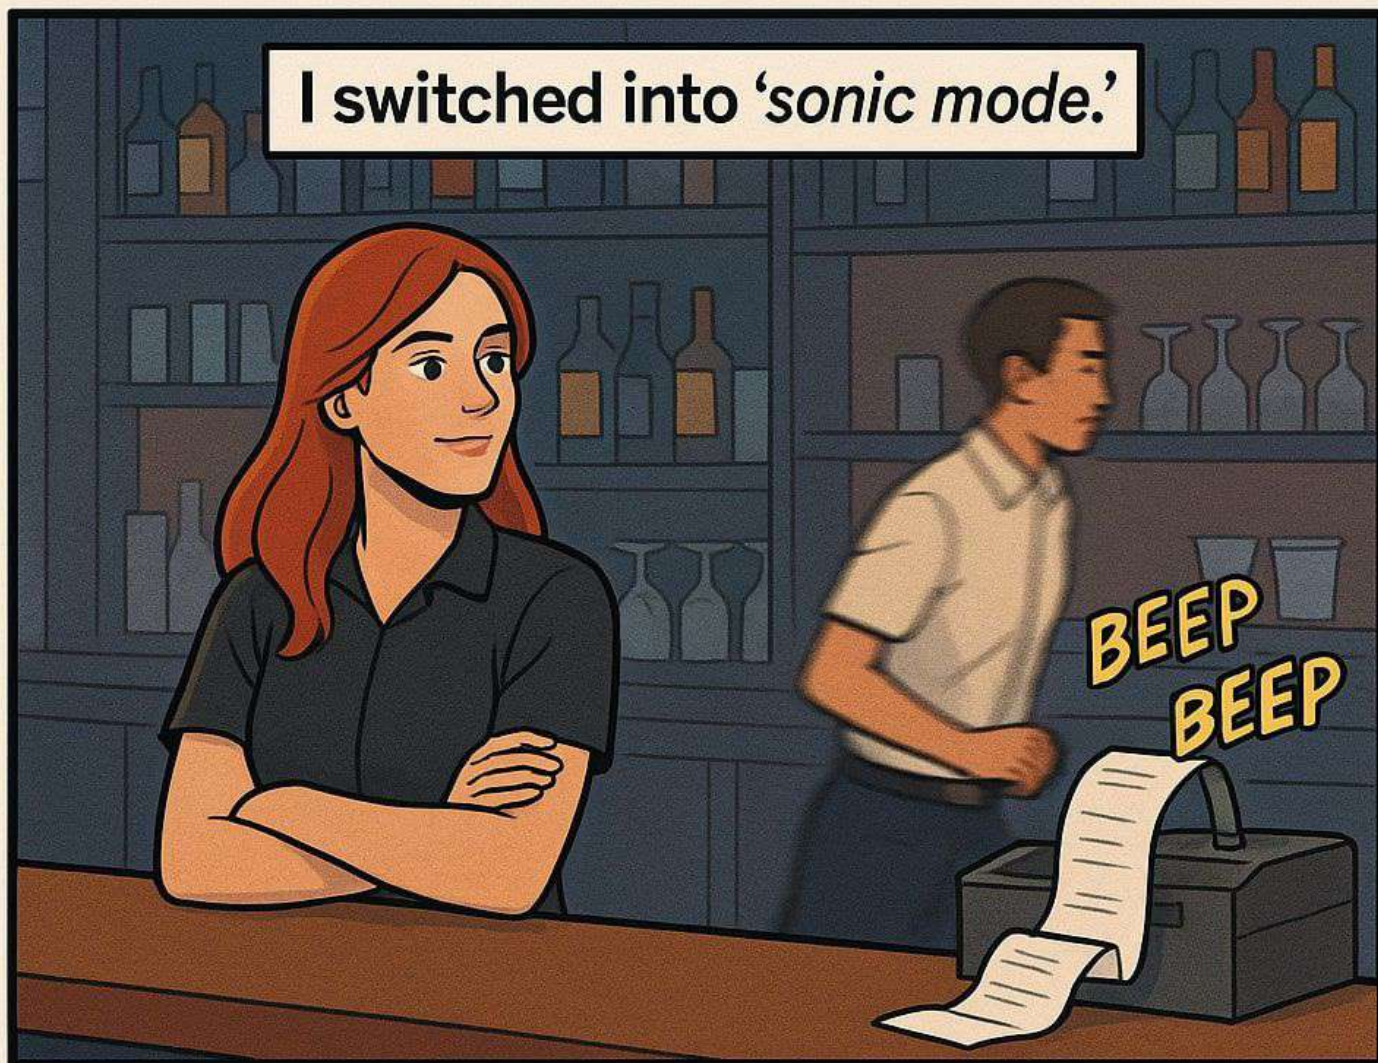

Even children's joy couldn't move her

The rush hit.

I switched into 'sonic mode.'

Please- careful
with glass.
